## **SUPREME COURT, U.S.**

Age bias  
—Retaliation, Congressional intent to protect lost hours among issues to be addressed in current term (U.S.), Special Report, 211; whether federal workers can bring retaliation claims gives Court chance to study increasing significance, 274; justices likely to rule no implied individual right to sue, practitioner tells ABA, Special Report, 429  
—Retiree health benefits, ADEA gave EEOC power to issue exemption letting plans coordinate benefits with Medicare (U.S., rev den), Special Report, 404  
—RIF, workers have burden of proving employer did not rely on reasonable factors other than age (rev grant), 178; justices dislike ADEA, likely to find inadequate evidence of bias regardless of who has burden, practitioners tell ABA, Special Report, 429  
—Testimony, admissibility of observations of other RIF'd workers who reported to other supervisors addressed (oral arg), 31; no rule on admissibility of age-related remarks to other workers, requires context-specific inquiry (dec), 295; decision anticlimactic, little guidance on admissibility of evidence offered, practitioners tell ABA, Special Report, 429  
—Waiver, mandatory arbitration clause in SEIU pact unenforceable to waive right to sue for bias (rev grant), Special Report, 284; case could be most significant in 2008-9 term, practitioners tell ABA, Special Report, 429  
Agency fees, no 1st Amend violation in charging nonmembers for litigation expenses in representation activities of union parent (rev grant), Special Report, 284  
Case summaries, 319  
Disability bias, Wal-Mart worker not entitled to reassignment to vacant equivalent job where policy required most qualified candidates (rev grant), 83  
Equal protection, class of one theory barred, jury award improper (rev grant), 185  
NLRA, Cal. law barring employers from using state funds to assist or deter not preempted where proper exercise of sovereign power (rev grant), 4; practitioners predict justices will find state law preempted, Special Report, 429

## **Race bias**

—Mandatory testing, Solicitor General invited to express opinion on whether N.Y.C. Sch. Bd. liable to teacher applicants (briefs sought), 62  
—Retaliation, Sup. Ct. likely to rule no individual right to sue after changes current court, practitioner tells ABA, (U.S., oral arg), Special Report, 429  
Recognition, clause in Ill. Bell Telephone pact could trigger arbitration (rev den), Special Report, 381  
Sexual assault, waitress's suit for rape by supervisor not covered by arbitration clause in application (rev den), Special Report, 381  
Sexual harassment, DOJ supports review of Title VII coverage of worker fired in retaliation for cooperating in investigation (rev sought), 131; DOJ advises review (rev grant), 177; case among issues to be addressed in 2007-8 term, Special Report, 211; reversal likely after review of unpublished opinion on Solicitor Gen. recommendation, Special Report, 429  
2007-2008 term, 7 cases on docket at start, 5 more added, decisions expected by adjournment, Special Report, 211

## **SURFACE TRANSPORTATION ASSISTANCE ACT (STAA)**

Case summaries, 112; 136; 183

## **SURVEILLANCE**

Internet activities at work, employers increasingly subjecting to electronic monitoring, study, 328  
Monitoring. *See* MONITORING

## **SURVEYS**

*Ed. Note: For information on publications, reports, studies, and surveys, see specific subject headings.*

## **SUSPENSIONS**

Case summaries, 111; 223; 439; 484  
Disparate treatment, security officer at auto plant gets back pay where not allowed to work between DUI arrest and hearing (Arb.), 478
