The screenshot shows the BNA's Current Report website interface. At the top, there is a navigation bar with links for HOME, ABOUT, CONTACT US, PREFERENCES, HELP, and FAVORITES. Below this is a search bar and a main content area. The left sidebar contains sections for HOT TOPICS, KEY FEATURES, and TRACK INTERESTS. The main content area features a large article titled 'Court Weighs Eliminating Litton's Point of Novelty Infringement Inquiry' with a sub-headline 'Oral arguments before the Federal Circuit raise serious questions about the continued use of the point of novelty inquiry for showing infringement of design patents.' Below this are sections for HIGHLIGHTS, ALSO IN THE NEWS, and PATENTS. The right sidebar contains sections for RESEARCH TOOLS, FROM THE EDITORS, MY DOCUMENTS, and GETTING STARTED. Callout lines from the text on the left point to these various sections on the website screenshot.
